Dear Parents of Freshmen Class:

The freshmen class fundraiser is volleyball concessions. Some of us are new to this; many just need to look at the schedule to see when to show up! I thought it would be good to start the season off with the answers to some often asked questions.

**Why are the freshmen in charge of volleyball concessions?** Volleyball concessions are the fundraiser for the freshmen class.

**What are the dollars used for from the volleyball concessions?** The proceeds are used for Snowball; the freshmen sponsored winter dance, their future Prom, and their Senior Retreat.

**How many times are freshmen families required to work?** Class officers and their families are working multiple shifts while all others are once per season.

**Is it important for parents to help?** Yes!! The more workers we have, the better service we can provide to our guests. It also helps aid in getting set up and tearing down in a timely fashion so that all families can be on their way. **Where you see your child working a shift, then a parent comes along to work that same shift.**

**What if we are unable to work the shift assigned?** Please find your own replacement by switching with someone. When everyone does their part no one is overworked!

**Who is in charge of concessions each night?** The freshmen class officers and their parents - Leah (president) and Tami Langel, Addison (vice-president) and Jackie Arens, Cadence (secretary) and Jacki Goebel, and Jayden (treasurer) and Jenny Barthole.

**What else do we need to do prior to the night(s) we work?**

*All parents, grandparents, friends, businesses, and alumni who wish to volunteer at Gehlen Catholic School (both in and out of the classroom) are required to participate in a one time meeting called Virtus Training Program as mandated by the Diocese of Sioux City. Please check in The Globe for upcoming training sessions. To register visit [www.virtus.org](http://www.virtus.org) any questions can be directed to the high school office.*

**Thank you everyone for helping out!**
